Summer 2023

Undraland Summer 2023

In this booklet you will find information about Undraland's summer programme. Our summer programme is quite different from our traditional programme so it's good to read the information well.

The summer programme is built on themed weeks and children are registered by week so you can choose themes that suit your child.

In summer we are almost always outdoors. **We do lots of trips and travelling so it's important that your child is equipped for this.**

Over the next pages you can see the themes as well as useful information.

REGISTRATION IN SUMMER

REGISTRATION OPENS TUESDAY 25TH APRIL

Registration is at sumar.fristund.is

It is really important to finish every step of the registration process and agree to the terms and conditions. If this isn't done then the registration will not go through.

It's possible to register for all weeks up until three days before the week starts..

If you need to unregister your child then you have until the Sunday a week before the week starts (8 days)

Undraland has far fewer places in summer than we do in our traditional programme. If the a week is full then your child is placed on a waiting list and you will infomred if it would be possible to take your child in.

USEFUL INFORMATION

Opening times: Undraland is open from 8:30-16:30

Getting back to Undraland: We are usually not in Undraland between 10:00-15:00. Some trips can see us arriving back around 16:00

Notices: It's important to let us know before 9:00 if your child won't be attending either by calling or sending an SMS.

Packed lunch: Children need to come with three packed lunches a day (Morning, noon and afternoon). On Fridays we grill hotdogs children are welcome to bring hot dogs and bread - Undraland sees to condiments. Children should always have a water bottle.

USEFUL INFORMATION

Backpack and extra clothes: A good backpack is essential. The child's bag should be comfortable and sit well on their back - i.e. a schoolbag. Swimming bags with thin straps are uncomfortable. Children should always have extra clothes because accidents do happen and children rarely want to loan clothes.

Swimming: We aim to go swimming at least once a week. All children and staff go in the pool except for one member of staff. Children are marked with colourful bands so we can easily spot them and we work according to strict rules.

Other summer programmes: If you would like to see other summer programmes that are available in the summer you can look at fristund.is.
